WEDNESDAY, JUNE 22, 1864.

UNITED STATES SANITARY COMMISSION.

The meeting convened by Messrs. Jacobs, Zimmerman and Perry took place on Monday afternoon at the Hon. Mr. Kirk's rooms. We noticed the following gentlemen present:

Messrs. C. H. Folmar, Wilson Jackson, Wm. H. Moores, Edward Zimmerman, Charles Zimmerman, Henry Zimmerman, W. T. Livingston, Mirrison, F. L. Jacobs, W. Jacobs jr., C. H. Schoch, Capt. Dillingham, Rev. Mr. Goodfellow, Messrs. Belfour, Legendre, Perry, Carmana, Eastcott, Tay, Upton, Hare, Gerhart, Blier and Wilkes.

The business of the meeting was begun by Mr. Wilson Jacobs, who moved that the Hon. Mr. Kirk, United States Minister, take the chair: Mr. Livingston seconded, the motion. The Hon. Mr. Kirk on taking the chair, rose and said:—Gentlemen; being called to fill the chair at a meeting of a meeting as the present, I feel bound to explain to you the noble object for which it has been convened. Actuated by a humane desire to assist in relieving the suffering soldiers in North America, a society of benevolent persons have organized in the United States which is termed The United States Sanitary Commission: we have assembled here to-day, gentlemen, at this distant spot, to aid that Commission. We will not be grateful news for the members of that Commission to learn that their friends and their fellow-countrymen were have not forgotten them in their hour. Gentlemen, I will not detain you with any prolonged remarks, but I am pleased to think that a word or two of encouragement from the shores of our native land are borne the tidings of sympathy and assistance from Americans and their friends in the Argentine Republic."

Mr. Jacobs then rose to move that a Secretary to the meeting be appointed. He proposed Mr. Ayres. Mr. Holper, Mr. Schoch, seconded the motion.

Mr. Jacobs then proposed that some evidence be read to prove to all present the usefulness of the United States Sanitary Commission.

Mr. Gardner B. Perry, one of the gentlemen who signed the requisition convening the present meeting, came forward and said:—"Gentlemen, I have had, during my recent visit to the States, full opportunity to observe the very great merits of the Sanitary Commission. On the 10th of June, 1861, the first Commission was named. Surgeons were inspected the hospitals—I have seen how the money which the Commission collected has been expended and I most unhesitatingly assure you that through the assistance which has been rendered by the agents of the Commission much human sorrow has been alleviated. The total amount of money collected by way of contribution I understand is two millions, and in round numbers, irrespective of the nine millions, has been raised in Europe and elsewhere yielded, (Mr. Perry). The exhibition in Cincinnati gave a grand result. It followed and assured me that contributions had been received from all parts of the world except Australia, the east coast of South America. At May, 1863, the principal officers of the Sanitary Commission went to Washington to urge on the Administration the necessity of introducing some measures for reform. Mr. Wilson was asked for the appointment of a Commission with a general power to inquire into all matters connected with the sanitary condition of the army and the inspection of the troops, with a view to exclude unsuitable officers, and to promote those of special merit. Measures for surgeons, Assistant Surgeons, Paymasters, Assistant Paymasters, Chaplains, Professors, Assistant Professors, Engineers, Assistant Engineers, Boatswains, Gunners, Carpenters, Sailmakers, Masters, Assistant Masters, Pilots, Captains' Clerks, Engineers' Clerks, Boatswains' Mates, Gunners' Mates, Carpenters' Mates, Sailmakers' Mates, Quartermasters, Coxswains, Ordinary Seamen, Landsmen, Boys, Marines, Officers' Stewards, Officers' Cooks, Officers' Servants, Ward Masters, Nurses, Cooks, Stewards, Matrons, Laundresses, Clerks, Messengers, Watchmen, Porters, Hospital Apprentices

Government as it ran the rounds of all the River Plate newspapers. Well, to our great surprise, we find that a petition was presented by him before Congress for a patent to a paper-mill to be established here. This verifies the adage above-cited, and fulfils our most ardent wishes.

Our remarks in this morning's paper upon the state of the money market were greatly spoken about on the Bolsa, and some brokers went so far as to say that the Standard was under Bell influence. Such observations, however, are only attributable to persons who cannot translate our motto at the head of the paper. The money market of Buenos Ayres is in a rather critical state, owing to the recent failure of Crosket and friends, coupled with the general belief that England is going to war. Any serious crisis in this market at present would lead to the most injurious consequences, because the only subject of speculation—the currency—would at once depreciate. It is a delusion to term the transactions on the Bolsa as speculations in regard to paper money — it is speculation in the price of bread, tea and sugar. If stocks rise or fall at home, only those who deal in them suffer, but here in Buenos Ayres it is different, and if patacons go up, ten and sugar goes wnt it. Sooner or later a step must be put to this reflex-ous fluctuation in the price of the necessaries of life—*M. Rivatra's project should be passed.*

There is no cause for supposing that any immediate crisis is at hand, nor do we think that we can be so misunderstood, as to be open to the charge of giving any needless alarm; by no means; but as we are obliged to chronicle the state of the market, we must speak the truth. The Crosket failure has had a very serious effect, and bill brokers find greater difficulty than usual in getting second class bills discounted; besides this, the private letters received by the merchants, per last packet, were of a character to induce the greatest circumspection. Furthermore, the dangerous drainage which has been going on for the last 12 months, of buying in specie and selling in currency, must terminate badly.

There are the reasons which cause the uneasy feeling—which we notice—in the money market. If the legislators of this country have the courage, the capacity, we may say the honesty, to set about and reform the currency, then many of these evils will be remedied; but if, as the constituted body, after year is to pass over burning paper money, which is hourly becoming cheaper and more inflated, we must, some day or other, come to an unpleasant wind up. If any better scheme than that of M. Rivatra's can be introduced, then why not adopt it. We opine that it is the easiest, safest, and most feasible, and therefore should be passed.

We are pleased to notice the great demand which has sprung up for National Bonds. $20,000 'fuertes' were sold to-day at 40 per cent. cash. This is a good sign, as it shows that there is increased confidence in the stability of the National Government; but those bonds should be put on the Bolsa and quoted.

We perceive a sale of 4,000 Bolivianos at the rate of 20, 7 ds. per oz.

An English vessel we are told has been put on the berth to load for Antwerp. We have not heard her name, as the brokers dont think it worth their while to either give it to us or advertise her.

SAVINGS BANK

BANK MAUÁ & C.

No. 103 calle de Cangallo.

BUENOS-AYRES.

The immense advantages of *Accounts Current* are now so generally felt, and appreciated in the two great emporiums of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the Bank in which they place the most confidence

The Bank of Mauá & Co. in Montevideo has already provided for the working class in that city, a safe & profitable depositary for their savings.

The sums deposited in that most important institution are daily increasing and already reach a very large amount.

These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, working-men & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a *reserve fund* in case of *need, sickness* or *old age*, instead of spending them in the immoral gambling, in lotteries and other such like.

The Bank of Mauá and Co. of this city following the example of their firm in Montevideo now offer the same facilities in that city and will open on the 1st October a "Savings Bank" at No. 103 calle Cangallo from 9 a.m. to 3 p.m. on week days, and on Sundays and holidays from 10 a.m. to 2 p.m. for the reception of the savings of the classes already mentioned.

The Bank will deliver to each depositor a Pass Book in which will be entered the amount deposited and withdrawn.

The depositor is permitted *at any time* to withdraw the *whole or part* of the sum deposited, in the former case the interest will be calculated up to date.

The Bank of Mauá and Co. is sufficiently known to the public by the benefit derived from the course of its operations which are regulated on the strictest and soundest principles and always directed to promote the general welfare.

The Bank of Mauá and Co. are also persuaded that this new branch of their business will render immense service to the working classes of Buenos Ayres and its neighbourhood.

Buenos Ayres September 19th 1863.

p. p. Mauá & Co.

WILLIAM LESLIE.

4th. Once the amount deposited exceeds *Twenty five thousand dollars currency* or *one thousand dollars silver* the depositor if he wishes can open an *account current* according to the rules established by the Bank.

5th. In case the depositor loses his Pass Book it can be replaced by another on paying *twelve dollars currency*, and advertising the loss in the public newspapers.

There are at this time many thousands of Confederate prisoners of war confined in the various forts and camps of the Northern States. A large proportion of them are wounded or sick, and all are in a state of destitution, the accounts of which, as given in private letters and in the newspapers, present a picture of human suffering, which has scarcely a parallel in modern times. The merest necessaries of life are wanting, and frequently the wounded prisoner has no raiment save that which is stark and stiffened with his clotted blood. Horrible as war is in all its features, assuredly it has no greater horror than the long agony of the poor captive who, when the feverish excitement of the contest is over, is left to the bitter charity of strangers and foes, without one friendly hand to soothe the pains of body or friendly voice to whisper hope and comfort to his despairing mind. These men, cut off from the assistance of their kindred or the protection of their Government, have peculiar claims on the patriotism of their countrymen in Europe, and upon christian benevolence everywhere. They did not recklessly or from choice embrace the profession of arms, but in exchanging the comforts, and often the luxuries, of home for the toils and hardships of a soldier's life, they obeyed a stern sense of duty and the call of their country in its extremest need. An unusual proportion, also, of those that fill the ranks of the Confederate armies belong to the higher walks of life, upon whom privations, such as are endured by prisoners in the hands of the North, fall with increased severity.

The Southern Prisoners' Relief Fund is intended to mitigate some of these sufferings which cannot altogether be relieved. Within little more than a twelvemonth, nearly £3,000 have been collected and expended in relief. The managers of the Fund are assisted in their efforts by self-devoted ladies in the principal Northern cities, who visit the sufferers and give them such aid as the means at their disposal render possible. Of late the Federal Government has granted permission that this Santander work may be done openly. It is car nestly hoped that all Southerners residing in South America will support the Fund to the extent of their ability, and its objects may recommend themselves to all, irrespective of country or political convictions, who sympathise with the sufferings of their fellow-men.

Contributions will be received by J H Ashbridge, Treasurer, Walmer Baildidge, Water Street, Liverpool; or in London, by Henry Hottze, Esq., 17 Saville Row, W.; in Paris, by H O Brower, Esq., 6 Rue Circulaire; and Daniel Hubbard, Esq., 24 Rue Lord Byron.
